Bedikat Chametz

Recite the following before searching for chametz:

Blessed are You, LORD our God, King of
the universe, Who sanctifies us with His
commandments and commanded us
regarding the removal of chametz.

Note: The ceremonial search for chametz is customarily performed by
candlelight on the night *before* the Passover Seder. A feather and a spoon are
often used to sweep up the last crumbs of bread, which will then be burned with
other chametz the following morning.
